INTERNSHIP AND TRAINING

Blockchain Developer at Metaverse Ventures Private Limited GAMING MARKETPLACE

02/2023 – 05/2023
Hyderabad, India

- Developed a robust gaming marketplace platform supporting multiple payment options, allowing users to make transactions using both using native token and cryptocurrencies.
- Collaborated with cross-functional teams to gather requirements, design the architecture.
- Technology Stack :Solidity,Hardhat,Ether.js

STACKING CONTRACT

- A stacking contract that allows users to stake their tokens and earn Prime Rewards.
- Incentivizing token holders to participate in the network and contribute to its security and stability.
- Technology Stack :Solidity,Hardhat,Ether.js

Solidity Developer at Blockatena CERTIFICATE USING NFT

05/2022 – 07/2022
Pune, India

- Created a cutting-edge student certificate system using NFTs and blockchain technology, ensuring unique, verifiable, and tamper-proof certificates for each student.
- Technology Stack:Solidity,Hardhat,Ether.js
- Contributing to the debugging and testing process to identify and resolve any issues or vulnerabilities in the integration of the NFT marketplace with Chainlink and Axelar.

PROJECTS

Decentralised Exchange

- A decentralized exchange (DEX) platform using , facilitating secure and direct trading of ERC20 tokens without the need for intermediaries.
- Conducted thorough testing and debugging to ensure the robustness and reliability of the smart contracts
- Technology Stack: Solidity,Hardhat,Ether.js,React.js

Rent and Lend Property

- A decentralized platform for renting and lending properties.
- Integrated Chainlink to ensure reliable and secure real-world data feeds, GraphQL for efficient querying and manipulation of data
- Solidity,Hardhat,Chainlink,Graphql,Ether.js,React.js

SKILLS

Programming Language

Solidity, Javascript, C++, go

Tools and Technology

Ether.js, Foundry, Web3.js, Slither,Grpaphql,Uniswap, Aave, Openzeppelin, Truffle, Ganache, Hardhat, Cryptography, Docker, Chainlink, React, Node.js, Express.js,

Database

Mongodb, Mysql

CERTIFICATES

- C language Certificate on HackerRank
- Python coding competition Certificate at D.Y.Patil
- 5th start in Data structure and Algorithm on Hackerrank

EDUCATION

B.Tech,Computer Science

Symbiosis Institute of Technology | GPA - 7.7

07/2019 – 06/2023
Pune

HSC

Sree Ayyappa Public School | Marks-80%

2016 – 2018
Bokaro
